Easter Raffle
Don’t forget to get your tickets in for the Easter Raffle, which will be drawn on Thursday the 28th of March, just before Good Friday. If you need more raffle tickets, please feel free to let Gina know.

The 100 Club
The school was fortunate enough to pick up a free weekend away for 2 people to Wollongong Surf Club Resort (just the thing that many people need at the moment!) recently. The P&C have decided to run a 100 Club to raffle it off. The 100 Club will have to be drawn soon, so that the lucky winners get as much chance as possible to use the voucher. It will be drawn as soon as we have filled all of the numbers with lucky names. It is only $5 for a number, and you have a 1 in 100 chance of winning this fantastic prize. Be sure to call in and see Gina in the office to get your lucky number secured soon.

Spring Bulb Orders
The absolute last day for bulb orders, with money, is Monday. This is a fantastic fundraiser, with 50% of the profits going back to the school. The bulbs are all gorgeous and are such a magnificent sight in Spring.
If you haven’t already returned your bulb order, or would like to have another look, please do so by Monday at the very latest!

Good Luck to Anna Dowling and Jack Stephenson, both students who have spent some time at our school, at the State Little Athletics Championships this weekend. We have quite a few of our students heading up to watch their siblings and we wish them all the very best.

Don’t forget that it is Easter next weekend. Enjoy the 4 day break, the children have certainly earned a rest and a possible visit from the Easter Bunny.

Each day is a new canvas to paint upon. Make sure your picture is full of life and happiness, and at the end of the day you don’t look at it and wish you had painted something different.

Working Bee
Don’t forget about this Sunday’s Working Bee at the school, from 2pm until 5pm.
We will be concentrating on the music and the art rooms, with pre-pack cupboards to be built, noticeboards to be covered and put on the walls, furniture to be moved, storerooms to be sorted etc...
There is always work to be done in the garden as well, with soil to be moved to cover where water tanks used to be and bark chips to be spread.
When we have finished, we will fire up the BBQ and grab a drink or two (adults as well as children) and admire our handiwork.
The children are welcome to come along and play outside, not inside, the classrooms. Children are the responsibility of their parents, however.
Looking forward to seeing you there!

Farewell Jacob
We would like to wish Jacob Maslin and his parents, Peter and Marina, all the very best as Jacob heads back to Young Public School, closer to where he lives, next week. Jacob came to our school part way through 2012 and has since grown in knowledge, confidence and maturity. We are very proud of all that he has achieved and wish him all the very best at his new school.
We would like to thank Peter and Marina for all of their hard work at the school, particularly Marina for her fantastic Spanish lessons since Jacob came to join us. We hope that we will still see both of you around the town.
